

Brief Product description

ProENTRY Echelon IV

January 2, 2009

ProENTRY4.com

ProENTRY Echelon IV, fourth generation software suite, integrates cabinet business order management, from order entry through manufacturing and shipping. ProENTRY's sophisticated configurator models your products and your business practices. Benefits include reduced errors and remakes, faster turn-around, greater client satisfaction and retention, and an improved bottom line. Innovative licensing includes a pay-as-you-go option ideal for today's economy.
